

## Kiddies heaven JANUARY 2018 NEWSFLASH

**WELCOME BACK!** We look forward to a great and exciting 2018 where we will be part of your child's development becoming a balanced toddler and preparing some of them for school next year.

PLEASE bare with us for the next THREE (3) weeks to settle your little precious child into his/her new environment. Remember they are small, they have been with you for more that 3 weeks (being spoilt and not always in a routine due to all the holidays in between) and now it is new teacher's, friends and a new class they must get used to.

We need your support, trusting us with your most precious possession and to give us time to get to know your child. I can assure you no child will sit in a corner crying or not being attended to. Some children walk in crying – get 100% attention and will cry the next day again. It is normal. The quicker you get used to dropping and leaving the better for all concerned. You are welcome to contact one of the assistants to check on your child after 9. We try and call the parents of children that cry by 9 if you don't receive a call it is because they haven't had a chance so you welcome to call.

When you fetch your child you are welcome to talk to the teacher or one of the caregivers regarding your child's day, but in the mornings please drop and go AND remember to CLOSE the gate behind you.

**IMPORTANT:** If anybody else other than yourself fetches your child, you must phone beforehand or tell the teacher in the morning who will fetch your child.

**READ IT** (Mommy, Daddy, Grandma and Grandpa, aunt and uncle, etc. that drop and fetches your child)
