

KIDDIES HEAVEN BABY CARE; CRECHE; MORNING CARE; NEWTON- AND EUREKA AFTERCARE CENTRES MARCH NEWSLETTER

Liewe Ouers / Dear Parents

5 March 2018

March already!!! The month went by so fast, I almost forgot about our newsletter! Thank you to all the parents that attended our Parent Meetings, your time and effort does not go by unnoticed.

KIDDIES HEAVEN ATHLETICS AND CARNIVAL 5 MAY 2018 KARNAVAL-ATLETIEK

We will be PLANNING our Father/friend golf day, Mother/friend morning tea, Children sport/athletic and carnival day on Wednesday the 14th of March. Parents interested in being part of organizing this spectacular event can leave me a message on my cell phone and I will get back to you with a time and venue.

If you would like to give a prize we can use for our lucky draw, we will be very GREATFUL. The more prizes the more winners. The lucky draw will take place at 12:00 on the 5th of May 2018.

We obviously need a sponsor for our **Mashe Golf Day** for our Dad's and prizes, so we will need your help. The golf will be a 4-ball competition, so Dad's get your teams ready for this BIG event (R400 per 4-ball).

Stalls for the day:

You can run a stall of your choice for R100, bring your own table and goods you want to sell. I must clear it first, so we do not have too many of the same stalls. First come, first serve.

KIDDIES HEAVEN will be selling cooldrinks, boerewors rolls and sosaties. We are going to need braaiers to help Pete, so if you not involved anywhere please offer your services.

STAFF NEWS: Tammy (Bear Class assistant) welcomed a beautiful, healthy little boy (Riley, 3,3 kg born on the 24th of February) into the world. Congratulations and may he bring you joy and happiness.

We also want to express our sincere condolences to Evette and her family that lost her grandmother on Wednesday the 28th of February.

Tannie Johanna also made a turn in the hospital last week with pneumonia, we hope to see her up and about soon.

Amanda the assistant at the Eureka Aftercare started at the College on Thursday so you will be seeing a new face at our Eureka Aftercare from today, Joandri, she will be assisting Valerie and Layla will be with Jane, Chenel and Glenda. Welcome Joandri we hope you enjoy your time at Kiddies Heaven.

TUCK- Only the Tiger Class and Bear Class will do tuck from now on. The Barney Class will fall in with the Baby Section arrangement of term contributions of 3 x large flings or cheese curls and one pack of finger biscuits or any other biscuit children enjoy AND add a bottle of Dettol (750 ml) once a year to your grocery list. The staff requested it as we use GNLD products and they feel Dettol is the best option to disinfect – it becomes a very expensive product so if every parent can once a year bring a bottle we will be well away and everyone benefits.

GATES- The gate is your responsibility to keep close and **not** to let the children open it. They climb on the gate and enter the pin and end up slamming the gate, in the process they can get hurt and the gate becomes a permanent maintenance issue. Please help us in this regard, if you have a better idea feel free to speak to Pete on 082 560 2989.

PARKING - *Respect our neighbours and do not turn in or park in front of the driveways or on the grass. Park on the right side of the road close to the pavement.*

NECESSITIES- Please abide by the contract and bring your necessities at the beginning of every term as stated in your child's communication book.

YEARPROGRAM/ CHARITIES- Please make sure you have a copy of our year program or go onto our website and get it from there. Feel free to support our charity projects.

CARNIVAL- We decided at the meeting that the Carnival will be held from 9:00 on the 5 May at N.J Heyns School. We need parents to sell products and run a stall. So please **contact Marina 084 695 4925** if you are interested in selling eats, drinks, or any other products.

FINANCES: Please pay on or before the end of the month or arrange for special arrangements like the 10th or 15th. If you have a problem, let us know immediately.

Procedure for sick kids

Basics **DO NOT SEND** your child to creche if your child has any rash/ fever without knowing or being to a doctor to verify that it is safe for other children to be around whatever problem your child may have. We do have a sick policy so make sure you get a copy – it is also on all the notice boards at the different centres. Check your child's hair regularly, keep it clean and tie long hair. Nails must at all times be short.

WEBSITE/PHOTO'S: Riana from Jacobs photography takes photos monthly of our special days and it is on our website (kiddiesheaven.co.za) for your perusal. She explained at the meeting how you can order. All orders must be done on her website. Contact her for photos please: 073 1515 735

When must my child go to school- I just informed our parents that it is becoming a problem for especially English-speaking children to get space at Pre-Schools of their choice for Gr. R (the year the child turns 6).

I have no influence at Primary schools to get children enrolled. I do know the procedures and can help you get your documents and remind you to get it in on time. You can make enquiries **BUT NOT** enroll yet. It is important to know how the schools operate with the enrollment process so that you are not caught off guard.

PLEASE HELP US WITH THE FOLLOWING:

We still have space in our Tigger Class, Morning Care at Eureka and Baby Care in Lorna Street, so if you know of someone, please contact us.

Kiddies Heaven regards

Pete and Amanda van Zyl
