### **Remember our time schedule:**

Half day to 12.

Half day to 2

Full day to 5, and PLEASE stick to the time slots or make alternative arrangements.

### **PARKING & GATES**

ALL OUR PREMISES ARE IN RESIDENTIAL AREAS, SO WE HAVE BEEN INSTRUCTED BY THE MUNICIPALITY TO REMIND OUR PARENTS IN EVERY NEWSLETTER ABOUT PARKING ISSUES, SO:

Please remember to park on the **right side** of the road and **DO NOT** to turn in our neighbour's driveways **OR** park on their grass.

PLEASE convey the message to whoever picks up and drop your children.

**SAFETY OF OUR CHILDREN** is a priority for us and we need your help:

**Close the gates** when you enter and leave...it is for your own child's safety, **PLEASE**. Ons kan by die Kleuterskool presies monitor wie die klein hekkie oop los, so asseblief dis mos nie moeilik om 'n deur agter u toe te maak nie.

### **PAYMENT OF MONTHLY FEES**

\*If you are not receiving your account via e-mail, pls send an e-mail to [apvanzyl@absamail.co.za](mailto:apvanzyl@absamail.co.za) so that we can check that we have the correct e-mail address.

Please pay your creche fees **before you go on holiday**, it is really frustrating bothering our parents while they are on holiday. In the economical sphere we move in right now it is difficult to make ends meet and if parents do not pull their weight we suffer to stick to our commitments.

Remember school's close on the 22<sup>nd</sup> and your fees **MUST** be paid on or before the 30<sup>th</sup> of June. You **can't** pay your June fees when the school re-opens in July.

**REMEMBER** to pay the **R30** to the class teacher for the ID photo's Riana took that we use for special gifts to you.

**MAKE TIME to go to your bank and sign a debit order then we don't need to even mention creche fees again.**

### **MAINTENANCE**

If you can assist with **any colour paint** for our jungle gyms and walls, we will appreciate your contributions.

We also need to look at **paving**, so if you have a contact for bricks and getter it a bit cheaper we will welcome your support.

### **SICK POLICY**

Please read it again. Do not send sick children to school. Parents get annoyed with the staff and I must then please explain why parents send their sick kids to creche.

It is unfair to all parties involved when you send a sick child to creche. We took it a step further and are in the process of installing new systems from Steiner (air purification system) in our baby section and baby care centre. We really can't do more from our side. We have a lot of sympathy with those parents whose children are often sick. I believe in Scotch Emulsion, not so nice to take but very good to boost a system. You should try it; the orange flavour isn't too bad. Thinking of you, it is not easy if your child is not up and about having fun.

**See attachment for sick policy.**

## **PROGRESS REPORTS**

Congratulations on your child's report, we hope you find it satisfactory. If you have any concerns, feel free to speak to the teacher, homework supervisors at the aftercares or you are welcome to contact me too.

## **HOLIDAY ARRANGEMENTS:**

It is very important to inform caregivers if your child will **not** be at a centre during the holiday so that we can plan our activities and meals around the numbers attending.

## **ATTACHED YOU WILL FIND ENTRY FORMS FOR THE BIBLE SCHOOL THIS HOLIDAY FROM 25-29 JUNE 2018.**

We support this program and it is VERY affordable at R50 for the week (R10 per day), unfortunately we do not have transport, but we can send some of our staff to represent our own KIDDIES HEAVEN children. You will have to organize your own transport there and back to the creche.

SMS me if you interested so that I can determine if I should send staff and how many to assist with our children. For e.g.

Ben and Theodore Hatting – Eureka Aftercare – will attend.

**AFTERCARE PARENTS** must let the caregivers know if they will be at the Eureka Centre (only 1 centre will be open) for the holiday so that we can make arrangements. Remember children must eat breakfast at home and bring their lunchbox for 10H00 as well as something to drink. We only cater for food from 12 onwards.

They **MAY** bring games, toys and things to keep them busy, preferably no technology (cell phone, i-pads, etc.). We will **not** take responsibility for anything that breaks at aftercare or get stolen.

If you have spare toys or games you want to donate to our aftercare centres we will highly appreciate it, anything is welcome, sadly whatever we buy are ruined in a week.

PLEASE AFTERCARE PARENTS GET CELL NR.'S OF THE STAFF THAT TAKE CARE OF YOUR CHILDREN IN THE AFTERNOON.

I teach until 14H00 and my phone is off.

In an emergency phone Pete on 082 560 2989 or sms me. Take time to save the nr.s on your phone as it causes major problems if I am the only contact and I do not answer my cell.
