Kiddies Heaven Statement Missie – Mission

By Kiddies Heaven streef ons daarna om u kind in 'n huislike omgewing opvoedkundig te stimuleer, liefde en aandag te gee en die geleentheid te bied waar maats in groepverband leer om met mekaar te speel en mekaar beter te verstaan.

It is our belief that every child is a precious and wonderful gift, worthy of unconditional love and deserving of the right to learn and play in a secure, friendly and happy environment. With such a foundation every child can develop and grow into young adulthood with a positive belief in themselves to succeed throughout life.
