STAFF RELATED INFORMATION

Tannie Johanna (Newton Grade 1 homework teacher) will be joining us after a long sickbed. She is excited to be back, and we welcome her with open arms. We want to thank Megan and Lizl that stood in for her last term, they did a sterling job. New to the Newton Aftercare is Mariaan Smith. She is experienced with a lot of positive energy and she has an amazing talent to work with children.

Annamarie, Karen, Johanna, Suné, Boipelo and Lucia had a well-deserved break during the holiday, and we believe they are ready for an action-packed second term.

**WE WISH YOU A
BLESSED

What happened in the first term?

We had our yearly meetings for the creche and the Gummi's, and the parents had the opportunity to meet and greet each other. We had a pole for the aftercare to determine the need for a meeting and according to the pole we decided parents can make individual appointments and discuss whatever the need is.

Suzanne Fourie, an occupational therapist offered her service to Kiddies Heaven to screen our learners and identify areas of development that might need some fine tuning. We are thankful for her input and professional service she is rendering at our centers. Please make sure you are aware of this service and use it if you have a concern about your child.

Our staff captured all the important moments throughout the term. Photos and events can be viewed on our Kiddies Heaven Closed Facebook Page.

Our charity-event for the term "Cansa Coin-collection" was a huge success. Thank you to every child that was part of this community project.

The term themes were enjoyed by all.

Thank you to everyone that made our fundraiser and athletics a day to remember. We raised R22 000 of which we used to upgrade our advertisement boards at the Eureka and Newton Centers, we painted walls and planted grass. We paved and replaced sand (sandpits). We upgraded a Cub-room (Maria's class) and we still busy replacing shade-cloth on our jungle gyms. We also managed to replace wooden panels on the big jungle gym at the creche. THANK YOU, without your help this would not have been possible.

Ons personeel het omtrent die kwartaal hul staal gewys met kreatiwiteit en hul passie om met ons kinders te werk.

The adaption reports were handed out on the last day of term.
